PRODUCT DESCRIPTION

Boost productivity and cut energy costs with Cema Lighting's versatile 600x600 IP20 Backlit LED Panel Lights. Ideal for shops, offices, schools, and hospitals, these flicker-free panels create comfortable, productive environments. Easy to install (recessed or surface mounted), they seamlessly integrate into any interior. Boasting market-leading 200lm/W efficiency, selectable wattage and CCT, these panels significantly reduce energy consumption.

Experience peace of mind with Cema Lighting's exceptional 8-year project warranty, including a unique 5-year Fit & Forget guarantee that covers both parts and labour for the first five years.

All product only purchases come with a 5 year replacement warranty.
